Dear Padre,

I'm thinking about going to the Easter Vigil, but why does it have to be so long?

When an event seems long, it may have to do with our expectations. If we go to the Easter Vigil and expect it to be like a Sunday Mass, then it will seem long. The typical parish Easter Vigil lasts two to three hours. There are some communities who vigil all night. Why does it have to be so long? Because this is one night of the year when we Catholics tell our whole story.

There are four parts of the Vigil. Part One is the *Lucernarium* (Light) when we gather around the paschal fire from which the paschal candle is lit. Then follows the passing of the light to members of the congregation, who are holding candles. By candlelight, we hear the Exsultet—the Easter Proclamation, sung only on this night. Part Two is the Liturgy of the Word, when we take our time listening to readings, singing psalms, and reflecting on salvation history. Part Three is the Sacraments of Initiation, when new members are welcomed into the Church, baptized, and confirmed, and all renew their baptismal promises. And Part Four is the Liturgy of the Eucharist, when new members receive holy Communion for the first time. The Easter Vigil is rich with meaning, solemn as well as joyful, and to fully experience it, we must take our time. ●

A WORD FROM POPE FRANCIS

We are preparing to celebrate the victory of the Lord Jesus Christ over sin and death.... But today, there is a war.... Christ bore his cross to free us from the dominion of evil. He died so that life, love, peace may reign.... What victory is there in planting a flag on a pile of rubble?

The Emptying Process

FR. JOSEPH JUKNIALIS

We like to fill life with good things—good friends, good times, good jobs, good memories. They are all graced moments of life. Life is also marked by an emptying process. Friends move away, good times come to an end, jobs become boring. Saint Teresa of Kolkata (Mother Teresa) once noted how even God can't fill what is already full. The emptying process may very well be the action of God in our lives, emptying us to make room for God's gift of resurrection and life in its fullest.

Holy Week is the story of such a process—one long saga that begins with Palm Sunday as it focuses on how Jesus willingly emptied himself even unto death. The story moves on to Holy Thursday and the gift of the Eucharist to sustain us in the emptying. On to Good Friday, where, once more, a narration in stark liturgical strokes tell of the emptying of Jesus. Finally, the Easter Vigil and the Feast of the Resurrection, the culmination of a journey through death into life. We tell this weeklong story because the story of Jesus is also our story—more of God working in us rather than our own doing. The Jesuit theologian Karl Rahner once noted that one of the tasks of life is to learn how to die well. Our willingness to learn that lesson, again and again, is how we begin to share in the resurrection, even as we live our lives today. ●
