Dear Padre,

Please clarify for me what the Church considers as “gossip.” Is it that bad?

Human beings have the great gift of speech. We continually talk to one another and we talk about one another. Gossip, at its most basic level, is just idle talk. It is neither good nor bad. But it is a tool we can use to build up another human being or tear a person down.

Gossip is sinful when we use our words to unjustly hurt the reputation of another or to judge another person rashly. The two words that the Church uses to describe this evil side of gossip are “detraction” and “calumny.” The *Catechism of the Catholic Church* tells us that detraction is “without objectively valid reason, disclosing another’s faults and failings to persons who did not know them.” Calumny occurs when a person, “by remarks contrary to the truth, harms the reputation of others and gives occasion for false judgments concerning them” (CCC 2477).

To judge whether your own gossip is good or evil, simply ask yourself: Do the words I am saying help others or hurt others? Am I building them up or tearing them down? Hopefully, as a Christian, you are committed to the commandment of Jesus we hear in today’s Gospel: “This is my commandment: love one another as I love you” (John 15:12). ●

A WORD FROM POPE FRANCIS

To love as the Lord loves us means to appreciate the people beside us, to respect their freedom, to love them as they are, not as we want them to be; as they are, gratuitously....Not controlling, serving them. Opening our heart to others, this is love, to be trusting, giving ourselves to others.

REGINA CAELI, ROME, MAY 9, 2021

[Jesus said,] "This is my commandment:
love one another as I love you."

JOHN 15:12

We're Like Trees

FR. JOSEPH JUKNIALIS

A while back I decided to plant two saplings that were about ten feet tall along the property line of the parish home where I lived. Some time after I planted them, I noticed that one was leaning in one direction and the other a bit in the opposite direction. *Strange*, I thought, *for it seemed that when I planted them they were staked with rope and stood straight.* So I bought some six-foot fence posts and tied the trees to them, thinking that as they grew they would straighten themselves. Not so. After three years the trees seemed to insist on growing their own way, one leaning into the wind and the other a bit twisted. It seemed the only solution was to love them the way they were.

It is so with the people in our lives as well. Sooner or later we find ourselves needing to love them with their idiosyncrasies and foibles and perhaps even their sinfulness. We may try to reshape them, but ultimately it is usually to little avail. They have been created by God, after all, and if God has chosen us—as the Gospel suggests—then God also has chosen us to love them as they are, and perhaps to love them into all that they can be. Ultimately though, God does the pruning, the reshaping, not us. We participate in that process by caring for them and bringing good to them, always in the image of Jesus. ●
